STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Applicant wishes to thank the Examiner for the courtesies extended to
Applicant's undersigned representative during the telephonic interview conducted on
January 15, 2009.

During the interview, Applicant's representative discussed the December 1, 2008 Preliminary Amendment, and presented arguments as to how the outstanding § 103(a) rejections are seen to be overcome by the remarks contained therein. More specifically, Applicant's representative argued that the references, particularly Shu and Taniuchi, are not seen to disclose the "creating" and "determining" features as recited in Claim 1.

The Examiner indicated that he would study the art of record in further detail, and possibly perform an updated search, before issuing a next Action. Such action is respectfully requested.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/John D. Magluyan/
